

COOL WELL

Complete Cooling Solution

Refrigeration | HVAC

Commercial & Industrial Equipments

We are pleased to introduce ourselves as one of the leading Contractors, Manufacturers & Suppliers of Refrigeration and Air-Conditioning Plant Equipment, including complete HVAC systems

Our expertise covers the manufacturing of a wide range of products such as Cold Rooms, Deep Freezers, Water Coolers, Freon Systems, Water/Brine/Glycol Chilling Plants, Bulk Milk Coolers, Pre-Cooling Cold Storage, Chiller Plants for Anodizing Electroplating Processes, and various HVAC hardware including Air Conditioning Units, Dehumidifiers, Air Handling Units, Air Filtration Units, Air Filters of 20, 10, 5 & 3 microns including HEPA filters.

We provide **complete project management and engineering services** for Wineries, Anodizing Plants & Electroplating, Dairy Plants, Chemical Plants, including:

- **Facility Design**
 - **Detailed Engineering of HVAC & Major Services**
 - **Installation**
 - **Commissioning & Validation**
-
- We request you to kindly register our company in your vendor list for **Chillers, Cold Rooms, Dehumidifiers, and Low-Side HVAC Systems.**
 - Please feel free to contact us for any related requirements—we assure you of our prompt and professional response

GENERAL

COOL WELL was started by group of Engineers in November 1985 with vast experience in the field of Chilling, Cold Room, Dehumidification, Air Conditioning, Air Cleaning and Air Handling to meet any desired conditions of Temperature Humidity and Cleanliness.

PORMOTER'S BACK GROUND

The CEO of the Company Mr. Nishad Satardekar is an Engineering graduate with over 27 years' experience in the field of Heating, Ventilation, Air Conditioning and Refrigeration. He has executed various projects in Air Conditioning, Refrigeration and Air treatment projects, to create Chillers, Cold Rooms & Heat Tracing and different type of Thermal & Cold Insulation projects.

STAFF

The CEO who has over 20 years' experience in this field controls the project execution. All our Erection Engineers, Technicians are well trained which forms a good team of Erection and commissioning Engineers to take care of our Pan India Sites.

OFFICE & MANUFACTURING ACTIVITIES

We have manufacturing facility at COOL WELL, Plot No. 2, S. No. 468/3/2, Village Shinde, Nashik. Where we have all facilities required as per good engineering practice for M.S., S.S. & Aluminum Fabrication.

We under take specialized jobs on Turnkey basis in the field of the following.

A. PROJECTS

- » Winery Process Project
- » Anodizing Process Project Electroplating
- » Dairy Project
- » Pre cooling Cold Storage Project
- » Braveries Project
- » Chemical Process Plant Project
- » Centralized air conditioning system or cooling with Humidification.
- » Air Source Heat Pump Water Heating System

B. STANDARD PRODUCTS

We manufacture the following standard products which has various applications in pharmaceuticals, chemicals, electronics, agricultural and other Industries and which are used as hardware for executing our projects.

- | | |
|---|---|
| » Water Cooled Chiller | » Batch Pasteurizer |
| » Air Cooled Chiller | » Ice Candy Production Machine |
| » Cold Room | » Bulk Milk Cooler |
| » Brine Chilling Plant | » Mini Blast Freezer & Chiller |
| » Oil Chilling Plant | » Ice Cream Hardener (Static/Tunnel Type) |
| » Ice Building Tank (IBT | » Vertical Cooler |
| » Ageing Vat | » Dairy Freezer |
| » Pre Cooking Chamber | » Condensing Unit (Air/Water Cooled) |
| » Controlpanel for Cold Room | » Curd Incubation Chamber |
| » Evaporator Unit | » Deep Freezer & Chest Cooler |
| » Cold Room PUF Panels 60,80,100,125 & 150 mm | |
| » Double and Single Skin Air Handling Units with/without Thermal Break Aluminum Profile | |

C. SUPPLY

- | | |
|--|------------------------------|
| »»» Ammonia Reciprocating, Screw Compressor Lubricants (ISEL make) | |
| »»» Freon Refrigerant Reciprocating, Screw Compressor Lubricants (ISEL make) | |
| »»» FRP Cooling Tower | |
| »»» Food Grade Propylene Glycol | |
| »»» Refrigeration Spares | |
| »»» Cooper Piping | »»» Refrigeration Gas |
| »»» Air Cooled Condenser | »»» Axial Fan |
| »»» Water Cooled Condenser | »»» Refrigeration Compressor |
| »»» Cooling Tower | »»» HVLS Fan |

AFTER SALES SERVICES

We have looks after the services of all the equipment's manufacture by COOL WELL during Guarantee period and also after the Guarantee period with annual services contract at nominal charges.

Please Find Below Our Valuable Client List for Your Ready Reference and Records.

- Refrigeration & Air Conditioning ■ Plant Equipments Manufactures
- Suppliers ■ Engineers & Contractors
